Accessibility	We are committed to enabling as many people with disabilities as possible to participate in our events. We and the local OCs strive to ensure accessibility to the sports venues. In practical terms, this means that we plan the day together, and each club provides at least one coach who actively participates in the practical session wearing a judogi. In the morning, there is a technical judo class. Also, in the mixed-team tournament in the afternoon, we compete alongside others rather than just against them.
Disciplines / Categories	Mix Mix Team Event For the matches, the competition organizers will divide the participating athletes into mixed-skill teams.
Regulations	The tournament will be held in accordance with the Special Olympics regulations: Regulations for judo
